This figure is a grid-based map or connection chart for various locations in Japan. The locations listed along the left side are:

- 椎名町
- 東長崎
- 江古田
- 桜台
- 練馬
- 小竹向原
- 新桜台
- 練馬
- 豊島園
- 練馬
- 中村橋
- 富士見台
- 練馬高野台
- 石神井公園
- 大泉学園
- 保谷
- ひばりヶ丘
- 東久留米
- 清瀬
- 秋津
- 所沢
- 西所沢
- 下山口
- 西武球場前
- 西所沢
- 小手指
- 狭山ヶ丘
- 武藏藤沢
- 稻荷山公園
- 入間市
- 仏子
- 元加治
- 飯能
- 東飯能
- 高麗
- 武藏横手
- 東吾野
- 吾野
- 西吾野
- 正丸
- 芦ヶ久保
- 横瀬
- 西武秩父

The grid consists of 6 columns and 30 rows. Several connections are highlighted with diagonal lines:

- Row 1: A black diagonal line from the first column to the second.
- Row 2: A black diagonal line from the first column to the third.
- Row 3: A black diagonal line from the first column to the fourth.
- Row 4: A black diagonal line from the first column to the fifth.
- Row 5: A black diagonal line from the first column to the sixth.
- Row 6: A black diagonal line from the first column to the seventh.
- Row 7: A black diagonal line from the second column to the third.
- Row 8: A black diagonal line from the second column to the fourth.
- Row 9: A black diagonal line from the second column to the fifth.
- Row 10: A black diagonal line from the second column to the sixth.
- Row 11: A black diagonal line from the second column to the seventh.
- Row 12: A black diagonal line from the third column to the fourth.
- Row 13: A black diagonal line from the third column to the fifth.
- Row 14: A black diagonal line from the third column to the sixth.
- Row 15: A black diagonal line from the third column to the seventh.
- Row 16: A black diagonal line from the fourth column to the fifth.
- Row 17: A black diagonal line from the fourth column to the sixth.
- Row 18: A black diagonal line from the fourth column to the seventh.
- Row 19: A black diagonal line from the fifth column to the sixth.
- Row 20: A black diagonal line from the fifth column to the seventh.
- Row 21: An orange diagonal line from the first column to the second.
- Row 22: An orange diagonal line from the first column to the third.
- Row 23: An orange diagonal line from the first column to the fourth.
- Row 24: An orange diagonal line from the first column to the fifth.
- Row 25: An orange diagonal line from the first column to the sixth.
- Row 26: An orange diagonal line from the first column to the seventh.
- Row 27: An orange diagonal line from the second column to the third.
- Row 28: An orange diagonal line from the second column to the fourth.
- Row 29: An orange diagonal line from the second column to the fifth.
- Row 30: An orange diagonal line from the second column to the sixth.
- Row 31: An orange diagonal line from the second column to the seventh.
- Row 32: An orange diagonal line from the third column to the fourth.
- Row 33: An orange diagonal line from the third column to the fifth.
- Row 34: An orange diagonal line from the third column to the sixth.
- Row 35: An orange diagonal line from the third column to the seventh.
- Row 36: An orange diagonal line from the fourth column to the fifth.
- Row 37: An orange diagonal line from the fourth column to the sixth.
- Row 38: An orange diagonal line from the fourth column to the seventh.
- Row 39: An orange diagonal line from the fifth column to the sixth.
- Row 40: An orange diagonal line from the fifth column to the seventh.
- Row 41: A blue diagonal line from the first column to the second.
- Row 42: A blue diagonal line from the first column to the third.
- Row 43: A blue diagonal line from the first column to the fourth.
- Row 44: A blue diagonal line from the first column to the fifth.
- Row 45: A blue diagonal line from the first column to the sixth.
- Row 46: A blue diagonal line from the first column to the seventh.
- Row 47: A blue diagonal line from the second column to the third.
- Row 48: A blue diagonal line from the second column to the fourth.
- Row 49: A blue diagonal line from the second column to the fifth.
- Row 50: A blue diagonal line from the second column to the sixth.
- Row 51: A blue diagonal line from the second column to the seventh.
- Row 52: A blue diagonal line from the third column to the fourth.
- Row 53: A blue diagonal line from the third column to the fifth.
- Row 54: A blue diagonal line from the third column to the sixth.
- Row 55: A blue diagonal line from the third column to the seventh.
- Row 56: A blue diagonal line from the fourth column to the fifth.
- Row 57: A blue diagonal line from the fourth column to the sixth.
- Row 58: A blue diagonal line from the fourth column to the seventh.
- Row 59: A blue diagonal line from the fifth column to the sixth.
- Row 60: A blue diagonal line from the fifth column to the seventh.
